

## Medline 100ml Controlled Heating Mantle

**Product Code:** E-101N

**Brand:** Medline Scientific

The Medline 100ml Controlled Heating Mantle is an energy-regulated, all-purpose heating mantle.

Its time proportional double pole system allows stable control of the heating element, reducing the risk of overheating liquids. The dial controller allows accurate temperature settings. A retort rod holder is integrated into the base of the unit to accommodate our range of accessories.
